

fucking

I used to
write
about fucking
before
I had done any

and now
that I've
been
fucking
for some time

I realized
that all the beauty
I described
is there

but so is all
the ugliness

each woman
taking a little bit
of me with her

for I've never
made love-
only fucked

I suppose
in that sense
you could
still call me
a virgin.
