

yes, yes, yes

after
saying
no
for so
long

you can
forget
how
good
it feels
to say
yes

i hope
i havent
said my
last
one

for
ive
said
so many
more
nos
in my
life

and i hope
as my
time
runs out
and death asks me
if im ready
to go

ill have
enough
breath
to

say

yes
