

The Impossible

please don't
pray for me,
please don't
shed a tear

if I've gone
I've gone
well

I've
seen a show
I've played a horn
I've rode a train
I've rung
a bell

so there
is no need
for tears

I have
conquered
my goals
and my
fears

and I've
done what
I thought was
an impossible
crime

I've gotten
a poem
to rhyme
