

*Roaming Fires*

it's easy to  
light a match  
and watch it burn  
itself out

it's easy to  
strike a match  
and start a fire

but it's hard  
to keep that  
fire ablaze

it's hard to imagine  
when looking  
at the watered down  
remains

that at one time  
there was  
only a match  
and a desire
