

*Slump Down,*  
*Slump Down like a Beast*  
*by Me*

slump down, baby  
slump down  
down  
by me

take aim  
on those stinking dogs

keep still, baby  
hold your breath

close one eye

come on, baby  
slump down like a beast by me  
take aim and fire  
on those ruthless  
dogs.
