

*Meant to be*

if you chalk up  
everything that's  
happened  
because  
of bad timing

it's hard to imagine  
that anyone is  
meant for  
anyone else

when every man seems careless  
when every woman seems a whore

it's hard to imagine  
that the heart is meant  
to do anything else  
besides pump blood

when there  
is so much chaos  
All. The. Time.

it hard to imagine  
a meaning  
in this life

that I am meant  
for anyone else

but then I met you

and baby,  
we are  
Meant. To. Be.
