

Legs

is there anything better?

perhaps it's the tease
that I like

the long legs
leading
to the promise land-

When I was a young man
my family and I
would take car trips together

and we'd always pass
this woman
walking down our street
with the most magnificent
legs I ever saw

my parents called her a
transvestite

I was too young
to know what a transvestite was

so I looked at the legs
innocently

and now
I have wondered
if that made me gay

but then I think,
no

it was what
I thought
was between those legs,
the cunt,
that made me look

the spectacular
cunt

the legs
where the gimmick

the boxing promoter
that got you to the fight

and what a good
gimmick it was

if it's *God* whose
responsible

then I
tip my hat
to the
greatest
promoter
the sport
has ever
known
